Adaptive Music Program 4

Private Instruction for Individuals with Special Needs

The Community School provides a special program for children and adults typically aged 5 and above with academic or learning challenges. The Adaptive Music Program (AMP) provides individualized music programming and adapted music instruction taught by music specialist Ms. [Francesca Bori](#).

Students with special needs have the opportunity to learn to play a musical instrument within a therapeutic environment designed to develop one's own potential. This process begins with a structured music-based assessment of motor skills, behavioral, social and emotional levels, attention, and communication ability. Monthly meetings with parents and yearly written summaries provide an opportunity to review the progress of the student.

For more information, please contact Ms. Bori at fbori@colburnschool.edu.

SING, MOVE, AND PLAY

Embark on your child's journey in the performing arts!

We offer a sequential curriculum designed to support the cognitive, creative, and social development of children ages 7 months to 7 years.

Get to Know the Department Chair, Dr. Nita Baxani

Dr. Nita Baxani has held leadership roles in arts programs and schools in both the United States and Germany. She received a Doctor of Education degree from Teachers College, Columbia University, where her dissertation focused on the musicality of infants within a childcare community. Her work in creating new programs and curriculum design is collaborative in nature and covers a variety of pedagogical approaches that foster an inclusive child-centered environment. As an arts advocate, Dr. Baxani enjoys creating programs and cultivating partnerships with schools and community and cultural organizations.

Benefits for Children and Parents

Classes employ developmentally appropriate materials to encourage growth in key areas such as: social and emotional development, cognition, and motor skills. Caregivers are a child's first teachers, so your involvement in our classes is crucial to your child's progression through the curriculum. By attending classes with your child, you will continue to strengthen the connection with your child while laying a foundation for their continued artistic growth at Colburn. One of our goals is to support students as they work towards independence. As your child progresses through the curriculum, the level of your involvement in class may change.

New students must submit an inquiry for class placement prior to enrolling.

Musical Theatre

The Community School's Musical Theatre program is designed for students ages 14–18 who have a passion for singing, dancing, and acting. This is a program for the triple threat artist to deepen their skill level in voice, dance, and acting, and to provide the skills needed to seamlessly shift back and forth between the three. Our High School Musical Theatre program meets on Sundays from 1–4:30 pm and helps to prepare serious Musical Theatre artists to be competitive in an ever-growing field and prepares them for college auditions.

Our weekly workshop includes a full dance class that rotates jazz, modern, and ballet dance throughout the year. This is followed by a two-hour session that concentrates on group song repertoire, acting, and choreography. Musical Theatre students are instructed on how to connect detailed acting skills to the song and dance. The workshop presents two performances per year.

Music Theory

Music Theory at the Community School of Performing Arts is a singing-based curriculum designed to enhance and support instrumental and vocal study through active engagement and kinesthetic exploration. From pre-reading exposure classes to 20th-century atonality, music theory classes deepen understanding of the musical process and strengthen artistic expression and performance.

Music Theory and Dalcroze classes are designed to be taken simultaneously or one at a time to accommodate each individual's pace and progress. In the same way, upper-level music theory classes are compatible with simultaneous compositional study as well as advanced Dalcroze study.

Dalcroze

The Dalcroze philosophy relies on solfege, eurhythmics, and improvisation, which lay the foundation for students serious about instrumental and vocal study. Class activities include vocal awareness, ear training, and sight-singing as well as rhythmic movement. Improvisational works unlock students' innate musicality and develop musical security while a kinetic approach builds up "muscle memory," a trait key to the spontaneous musician. Students' own discovery in music brings joyful and powerful musicianship.

ENROLLMENT/REGISTRATION POLICIES AND PROCEDURES

GROUP CLASSES AND ENSEMBLES

Registration for group classes and ensembles must be completed during the Open Enrollment Period listed on the Academic Calendar. Late enrollments will be permitted pending the instructor's approval.

PRIVATE LESSONS

If availability permits, students may register for private instruction at any time throughout the year.

ENROLLMENT COMMITMENT

When enrolling in either a group class, ensemble, or lesson, students are committing to 32 weeks of lessons or classes at a set day and time as established by the class schedule, or by their private lesson instructor or chamber coach. By signing up for lessons, ensembles, or classes, students are committing to attend the registered length of lesson time or class that has been reserved for them on a weekly basis for the duration of the academic year (32 weeks unless otherwise specified).

There are three exceptions to the Enrollment Commitment:

1. Most Early Childhood and Adult courses are one semester in length. Students must re-enroll each semester.
2. Adults enrolling in private lessons may commit to a mutually-agreeable schedule with their private instructor that is less than 32 weeks.
3. School-aged students enrolling in private lessons after the start of the academic year will be registered for the number of weeks remaining in the year.

All other exceptions must be approved by the School. Students must submit a written request for an exception by emailing the Community School office at cspa@colburnschool.edu.

A \$35 registration fee will be applied to all new enrollments beginning August 1, 2026 for fall and year-long enrollments or January 6, 2027 for spring enrollments. There is no registration fee for Summer Session.

DROP PROCEDURE

Students may drop from a course or lessons only during the Open Enrollment Period: **July 1–September 11*** (*Open Enrollment for Monday classes ends on September 20).

The parent/student must complete the online Drop Request Form to drop out of a class, ensemble, or private lesson. The form should be completed in a timely manner once the parent/student decides to withdraw. Students will only be eligible for a credit and/or refund if the request is submitted during the Open Enrollment Period.

Under no circumstances will tuition be retroactively refunded or credited.

The student is eligible for a 100% refund of tuition if the form was submitted prior to the first day of the semester*.

**The first day of the semester for year-long enrollments corresponds to the beginning of the fall semester. The first day of the semester for single-semester classes (Early Childhood and Adult Classes) corresponds to the start date of the respective semester. Drop requests for year-long enrollments following the third week of the fall semester will only be honored pending the School's approval.*

Students who enroll in private lessons outside of the Open Enrollment Period are not eligible for refunds or credits in the event of a drop.

Informing an instructor of a decision to withdraw, stopping payment, or not attending class does not constitute a withdrawal.

Exceptional requests for refunds due to a family or medical emergency may be made in writing to the School within 14 days of the missed class and must include appropriate documentation. Requests must be sent to the Community School office via email at cspa@colburnschool.edu. There is no guarantee that a credit or refund will be approved due to a family or medical emergency.

Academic Policies 2026–27 27

PAYMENTS

Payment must accompany registration, whether online or by registration form. Payment of tuition and fees is expected in full at the time of enrollment unless a deferred payment plan is requested.

Upon approval of a deferred payment plan, an initial deposit will be collected, and all remaining payments are due on or before the 15th of each month. All deferred payment plan arrangements must be made directly with the Community School office, and all payments will be handled by the Cashier.

Any payments received after the 15th will be automatically assessed a late fee (\$40 for first month; \$60 for each subsequent month). Subsequent late fees will be charged every month until payment is received.

Deferred payment plans will remain in effect until tuition is paid in full. Dropping a class, ensemble, or private lesson does not guarantee cancellation of remaining payments.

TUITION PRO-RATE SCHEDULE

Students beginning group classes after the start of a semester will be charged tuition on a pro-rated basis, as follows:

Full-Year Classes (Fall & Spring)

WEEKS 1–8	Student pays 100% of tuition
WEEKS 9–16	Student pays 75% of tuition
WEEKS 17–24	Student pays 50% of tuition

Single Semester Classes

KEY CARD ACCESS/ID BADGES

To enhance campus security, each family will be given up to three ID badges to access the building and parking facilities at Colburn. All students must fill out a Card Key Request Form, which can be picked up from the Community School office and submit it to the security desk in the Grand or Olive Building. Proof of registration and payment is required at the time of submission. Key cards will be required to enter buildings, access elevators, and use the library. Please pay attention to posted signs and requests made by security guards to show your key card. Lost key cards may be replaced for a fee of \$25. Please visit the Community School office to pay the replacement fee.

PARKING

With a student population of 2,000+ students, parking at the Colburn School is not guaranteed. A limited number of spaces are available to Colburn families on a first come, first served basis.

On a busy day when there is a line of cars waiting to enter the garage, students may be dropped off in front of the school on Grand Avenue. There is a loading area in front of the doors across from the Broad Museum. After dropping off your student, please make your way to Lower Grand and patiently wait in line for a parking space to open in the garage. If you do not wish to wait for a spot to open, offsite parking at a discounted rate is available at Lot #3 on the southwest corner of Olive and 2nd Street. We recommend that you have a validation in-hand when parking in Lot #3 so that you can receive the discounted rate without interruption. Validations can be purchased in the Community School office for \$4 each.

EMERGENCY ALERT SYSTEM

The Colburn School notifies its community of emergency situations through text messages using an alert system called InformaCast. In the event of an emergency, such as a fire, active shooter, or earthquake, messages will inform the community of the nature of the emergency, what to do, and when the situation is clear. Parents and students are strongly encouraged to register with InformaCast.

Text "#emergencynotification" to (818) 423-4168 to receive Colburn School emergency alerts from InformaCast. Contact Sandra Gendron, Security Director, at sgendron@colburnschool.edu with any questions about InformaCast.

Community School Scholarships

The Community School is proud to recognize the excellence and dedication of its students through Jumpstart and Herbert Zipper Scholarships, and to provide additional scholarship awards in recognition of merit and financial need.

Central to the Colburn School's commitment to providing equitable access to excellence, Jumpstart Scholarships directly address the lack of arts programming within public schools and provide students with instruments and weekly music classes at Colburn at no cost. The Herbert Zipper Scholarships support highly motivated students, who receive instruction in music theory, private lessons, and ensemble participation, among many other academic and performance opportunities.

Special appreciation this year goes to the extraordinary scholarship support of the Max H. Gluck Foundation; Marilyn Ziering; The Ward Family; Adams-Mastrovich Family Foundation; Edison International; Pasadena Showcase House for the Arts; Hennings-Fischer Foundation for the Noumi Fischer Scholarship; Sidney Stern Memorial Trust; and Marisa Silver and Ken Kwapis, in memory of Marjorie Kwapis.

If you would like to learn more about providing scholarship support to the Community School, contact philanthropy@colburnschool.edu.
